

**INDERPRASTHA ENGINEERING COLLEGE**  
**DEPARTMENT OF COMPUTER SCIENCE & ENGINEERING**  
**TRINITY CYBER FORUM**

**DARE 2 DEVELOP**  
**RULES & REGULATIONS**

1. Participants have to login to the portal <https://tcfdare2develop.herokuapp.com>, which will be available from 1<sup>st</sup> May 2021 (09:00 AM).
2. Topics will be provided through the dashboard exactly at 09:00 AM on 1<sup>st</sup> of May 2021.
3. The List of Topics will be available in the dashboard, each team must submit the selected topic asap in the dashboard itself.
4. Once the team has decided and submitted the topic on the dashboard, it cannot be changed.
5. Each team must push their code to GitHub, every 6 Hours (except during Night 10:00 PM – 8:00 AM).
6. Teams can make the project in Front-end and/or Backend.
7. Teams can use any open-source library licensed under MIT/ISC/Apache License, but plagiarism of the whole project isn't allowed.
8. The judges will score your project every 6 hours in sync with the Git Push you make as mentioned in Rule #5.
9. Teams must arrange hosting by themselves, whilst the resources for general hosting use-cases is provided in the resource text channel of discord.
10. It is necessary to be logged-in to the Discord during conduction of event.
11. The Teams will have their separate discord "voice channel", they can ask the moderators for help using the single "Ask for Help" text channel.
12. The Assistance provided by the moderator is just for help and not a responsibility of the Moderators i.e. They will join the voice channel and assist as per their availability.
13. Assistance will only be available during the time of 09:00 AM to 09:00 PM.
14. Teams can not leave during the event.
15. Any misbehaviour with the Participants/Moderators/Event organisers will lead to immediate disqualification.
16. The Decision made by the judges will be final, no questions/reviews will be entertained by them.
